

Washington County's
NW Bethany Boulevard Improvement Project
NW Bronson Road to NW West Union Road

NEIGHBORHOOD OPEN HOUSE

Tuesday, March 30, 2010
5:00 p.m. to 7:30 p.m.
Oak Hills Elementary School
2625 NW 153rd Avenue
Beaverton, OR 97006

MEETING PURPOSE:

The purpose of the open house is to introduce the project to the public and to solicit feedback from residents regarding issues and concerns.

PUBLIC INVOLVEMENT:

As part of the project's public involvement process, a Project Focus Group (PFG) will be formed. The PFG will consist of local residents and business owners who want to be involved in the project and assist the project management design team in the design of the project.

Washington County, along with its design engineer, WHPacific, invite you to attend an open house on Tuesday, March 30, 2010, regarding proposed improvements scheduled for NW Bethany Boulevard, between NW Bronson Road and West Union Road.

The proposed project will widen NW Bethany Boulevard to five lanes (two travel lanes in each direction and a center turn lane), with safety and intersection improvements, bike lanes and sidewalks. Other improvements include roadway lighting, a new storm drainage system, and limited landscaping.

It is anticipated that the PFG will meet on a monthly basis for approximately 6 to 8 months at a mutually agreed time and location. If interested, a short application form will be available at the open house or on the project website.
